

Rubio®

MONOCOAT

PROTECTS AND COLOURS YOUR WOOD IN ONE SINGLE LAYER

CARING FOR YOUR RUBIO MONOCOAT FINISH

Caring For Your Rubio Monocoat Finish

Surface Care Spray

Rubio Soap

Rubio Refresh

Rubio Oil Plus

Clean the Finish:

1. Sweep, dust, or dry mop
2. Damp mop or wipe with water, sparingly
3. Damp mop with either:
 - Rubio Surface Care Spray - ready to use, non-residue cleaner
 - Rubio Soap - concentrated version of Rubio Surface Care Spray; 66 parts water to 1 part Soap

Long-Term Care:

1. Spot Repairs - damage to the finish is very simple to repair with Oil Plus or Refresh
2. Renovation - a simple procedure that does not require sanding and dries quickly (4-6 hours). Normally done between 2-6 years and can be performed by the homeowner or a professional

• **VERY IMPORTANT** •

DO NOT USE ANY OTHER CLEANERS AS SOME OF THESE CAN DAMAGE THE FINISH
